Topic/key words					
Category	Modern song				
Summary	<p>Young Bunong boys and girls, work hard together. We work hard to make traditional tools and weave traditional clothes. We listen to advice of our parents and grandparents, and elderly people in the village. We have to make effort to learn the Bunong language and alphabets for our sustainability. We have to obey and follow Bunong customs, traditions, and standards. We do not abuse others. We have to walk in a good pathway.</p>
